Put Adds Up on your phone

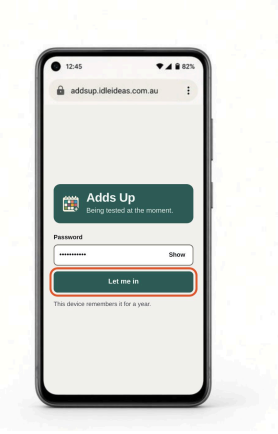

For Android phones. You only need to do this once.

`addsup.idleideas.com.au`

1 Open **Chrome**. Type the address at the top. Tap the arrow or **Go**.

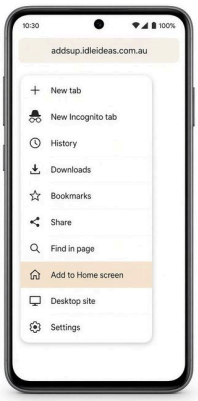

2 Type your **password**. Then tap **Let me in**.

3 Tap the **three dots** at the top right.

4 Tap **Add to Home screen**. It may say **Install app**.

5 Tap **Install**.

6 Adds Up is now on your **Home screen**. Tap it to open it.

Can’t see Adds Up? Swipe up from the bottom of the Home screen to see all your apps.

The password is only needed once on this phone. After that, it opens straight away.

Put Adds Up on your iPhone or iPad

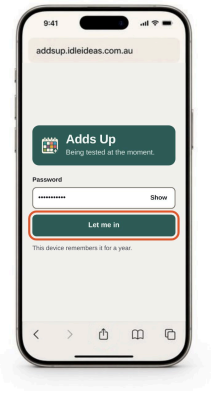

For iPhone and iPad. You only need to do this once.

`addsup.idleideas.com.au`

1 Open **Safari**. Type the address at the top. Tap **Go**.

2 Type your **password**. Then tap **Let me in**.

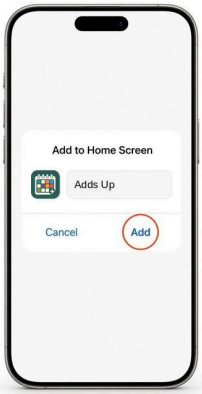

3 Tap the **Share** icon at the bottom. Can’t see it? Tap the **three dots** first.

4 Scroll down and tap **Add to Home Screen**.

5 Check the name, then tap **Add**. If there’s an **Open as Web App** switch, leave it on.

6 Adds Up is now on your **Home Screen**. Tap it to open it.

Can’t see Adds Up? Swipe left across your Home Screen pages to find it, or check the App Library.

The password may be asked for once more, the first time you open Adds Up from the Home Screen. After that, it opens straight away.
